

SPRING SUMMER
JEWELRY CATALOG 2026
FOXY ORIGINALS
PROUDLY CRAFTED IN CANADA

ABOUT US

Jen and Suzie met in University with a shared passion for jewelry and a mission to create a line of locally made jewelry with delightful designs at accessible prices. Out of their dorm rooms a bauble business was born. They hit the road and sold their on-trend jewelry at concerts and festivals. Jen and Suzie travelled the globe to get inspiration and stores around the world, as far as Australia and Japan, picked up the line. Fashion editors and celebs became fans and Foxy was even featured in the O Magazine's Favourite Things issue. To this day they are still true to their mission and are always scouring the world for new colors, patterns and inspiration. We promise to continue to keep our designs fresh and filled with delight for you!

OUR PRODUCTS

Each piece that comes out of Foxy's design-led Toronto studio is made with love and care and is delightfully packaged to bring a smile. We are obsessed with creating products that are versatile enough for everyday, but can also help you add that extra bit of shine on special occasions. We want you to feel your best in all of life's moments. We also believe that great design should not cost a fortune and are proud to offer our assortment at accessible prices.

LOCALLY MADE

Foxy jewelry is proudly designed and fabricated in our Toronto studio where it is assembled by a small production team of skilled craftspeople whose true pride in their workmanship is evident in the quality of each Foxy piece. We believe making products locally makes sense, allowing us to reduce our carbon footprint and create local jobs. All Foxy jewelry is made from lead-free pewter and is hand dipped in Gold, Silver or Rose Gold. To keep pieces looking their best, always remove before taking a bath or spraying perfume.

WHY CHOOSE US

We have become darlings of the stores that stock our products because not only do we offer boutiques great selling products, but we also give them great customer care. We provide displays with our products making the line easy to merchandise
